Types of members

COOPERATING MEMBERS

The first category includes two kind of members:

- **workers;**
- **special**, if they need to complete or supplement their professional training because of the pursuit of the social and economic purposes of the cooperative;

Members of the cooperative are differentiated into cooperating members and financing members.

FINANCING MEMBERS

Financing members, on the other hand, are divided into:

- **institutional**, if they are legal persons who intervene in the capital of the cooperative as a result of an ad hoc agreement signed by the cooperative, which establishes the issuance of specific shares governed by special regulations approved by the Extraordinary Shareholders' Meeting;
- **ordinary**, if they are fixed or juridical persons who purchase at least five shares (with a unit value of 100 €) that are registered and transferable (following approval by the GFF Board of Directors), even if they belong to more than one person who has selected one of their representatives for relations with the cooperative [Art. 1 Regulations].

[ex. Art 3 Regolamento]

The cooperative will allocate an initial package of "Solidarity" shares. This share package is addressed to all, whether physical or legal persons, who wish to participate in the solidarity financing of the cooperative, thus becoming part of the financing membership and the GFF project.

Within 15 days from the date of crediting the payment of the full amount, a **PEC** (gff@pecmail.net) will be sent **certifying that the financing members have been entered in the financing members' book** with an indication of the votes to which they are entitled.

[formerly Art. 5 and 6 Regulations]

Minimum term and redemption of shares

Ordinary financing member status has a duration **of 4 years** [Art. 4 of the Regulations], with the possibility of tacit renewal in the absence of a request for termination by either party.

The cooperative may exercise the right of early withdrawal and redeem the amount of shares in favor of financiers who hold fewer than 50 shares.

IN CASE OF WITHDRAWAL

Shares will be redeemed in one lump sum if less than 50, otherwise the departing shareholder will be redeemed the amount related to 50 shares in one lump sum and the remaining amount will be spread over the following 18 months.

Diritti e poteri dei soci finanziatori

The overall votes allotted to financing members shall not exceed one-third of the votes entitled to all members present or represented at each Assembly.

In the absence of the constitution of a special meeting [ex. Art. 22.3 Bylaws] financing members shall participate in general membership meetings by separate voting.

Each financing member shall be given a number of votes proportional to the number of shares subscribed (except that voting rights shall be limited to the subscription of a specified number of shares).

The financing members have the right to appoint at least **one director** and an **effective and substitute auditor**, as well as a liquidator in case of dissolution of the Cooperative. The financing members have the **right to withdrawal**, in whole or partially, **four years after** the date of their entry in the members' register.

Each financing member is allocated the following votes in proportion to the shares held:

Remuneration of "solidarity" share package

The financing partners will receive a **fixed remuneration of 0.25 percent for year**. In the fiscal year when the business operation ends with a profit, this remuneration will be augmented by an **additional amount equivalent to the average rate of three-year interest-bearing postal bonds** recorded in the relevant year, **plus a spread of 0.25 percent**.

If there are profits, remuneration will accrue to the financing members within 60 days of approval of the financial statements.
